1.) impuls . **Academy + Festival 2023**

Due to uncertainties in relation to Corona, the **next edition of the impuls Academy and Festival** is once more scheduled for **summer in 2023** (instead of the usual impuls February period). Further information on the **Academy offers**, coaches and conditions will be **published** by the **end of September 2022** and **application** will start by then as well. In general, we will especially welcome **composers** and already existing **young ensembles** as participants and furthermore offer **special programs** also for **individual musicians, sound artists and artists** from other disciplines (comparable to the Academy edition in 2021). On top also **vocalists** are invited to join a program for **vocal ensembles** built on spot.

Also in 2023 the Academy program is combined with a **daily Festival program**, including both Academy participants as well as ensembles such as Klangforum Wien, hand werk, Decoder, Diotima Quartet and Cantando Admont amongst others.
